A Horse Girl's Husband's Guide to Horse Ownership

By Edward M. Bauer

Step into the barn aisle, the humor, and the heart of the story.

If you've ever loved a horse girl, married into barn life, or wondered how one horse turns into hay bills, tack, mud, and unforgettable memories, this book was written for you.

Inside the free sample, you'll get a taste of:

- The humor of loving someone who always puts the horse first
- The real-life chaos of barn chores, horse expenses, and early mornings
- A warm, funny perspective on relationships, horses, and the life that comes with both
